

## How to buy GG Token on PancakeSwap

1. Login to your Metamask wallet.
2. Go to [PancakeSwap](https://pancakeswap.finance), click the "Connect wallet" button and the Metamask icon.

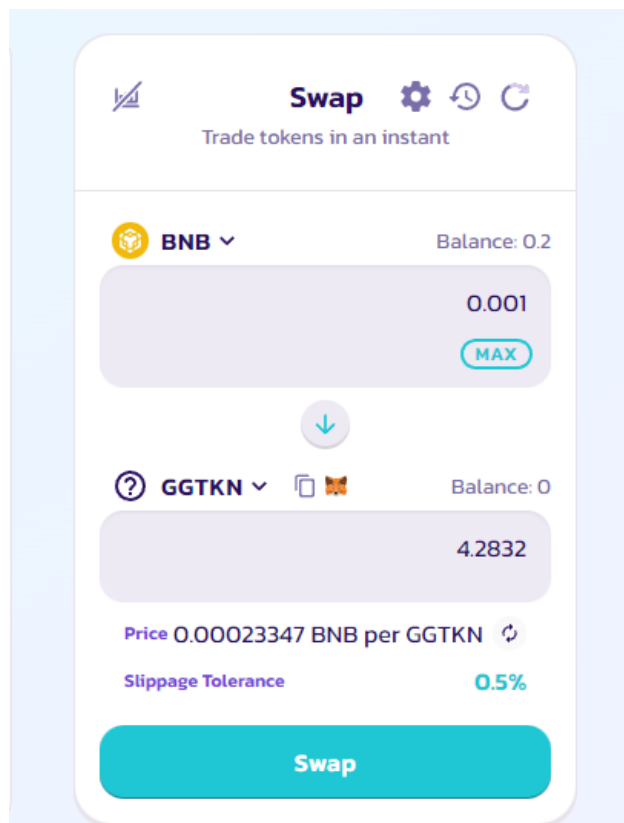

3. A Metamask notification window will appear. Click "Next" and then "Connect".

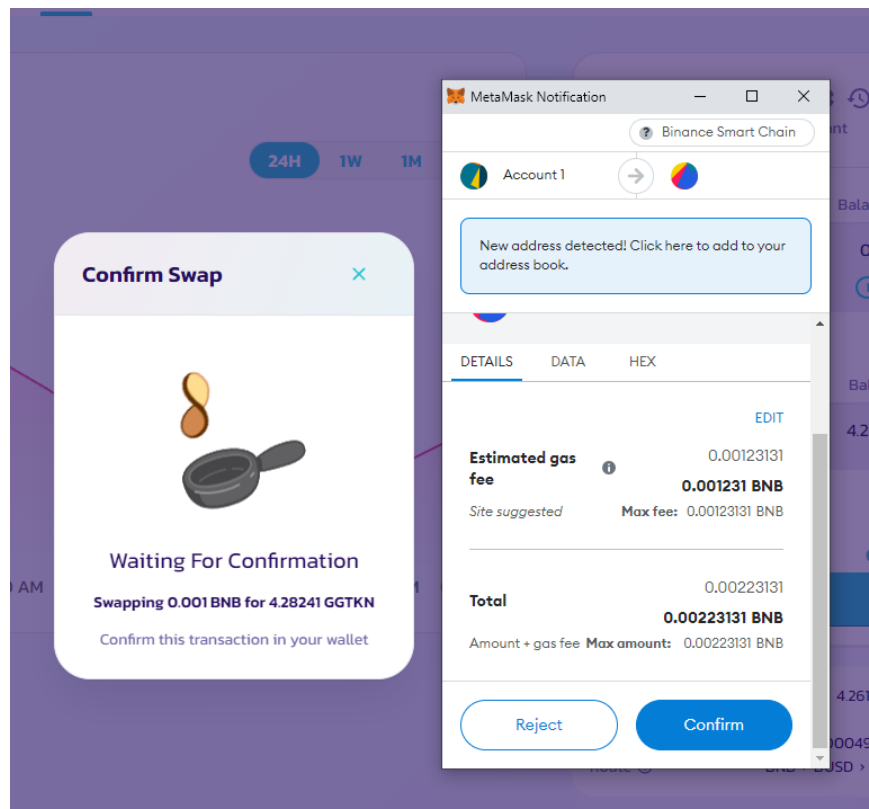

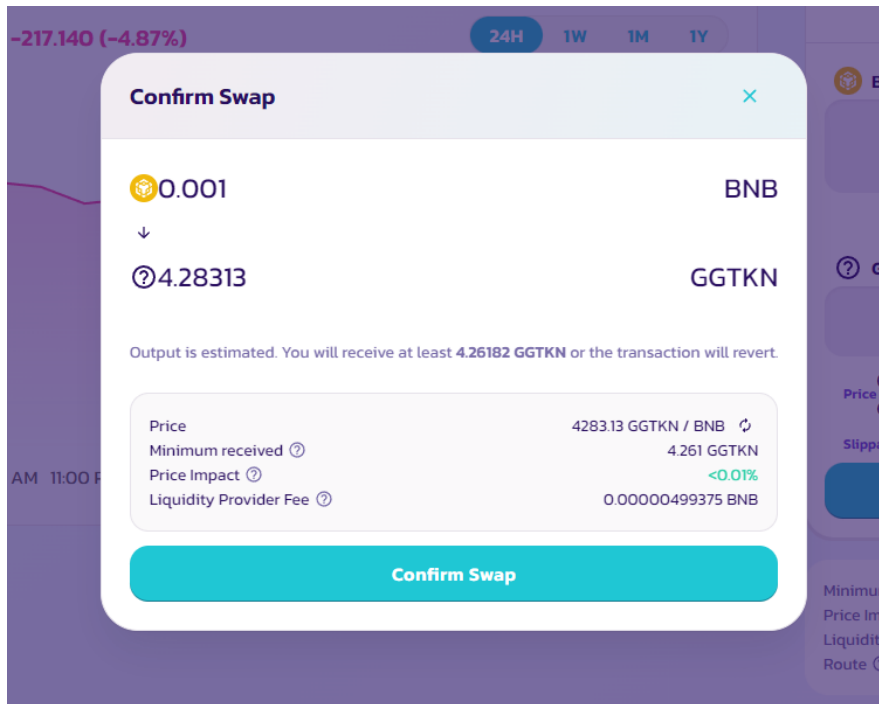

4. Enter the desired amount and click "Swap".

5. Click "Confirm swap" and next "Confirm" in the Metamask notification window.

6. A confirmation window will be displayed. You will receive your tokens soon.
